Carmichaels Area Junior-Senior High School has enrolled approximately 650 students and is located just 50 miles southwest of Pittsburgh. Built in 1928 consisting of three floors, the school was identified as Cumberland Township High School. An annex which housed the Senior High section of the school was added thirty-seven years later in 1965 and is still in existence. This place is referred to as "Home of the Mighty Mikes."

High School years provide a time to learn through experiences, have fun, and create friendships with memories that last a life time.

Although Junior High starts out with a feeling of apprehension for the seventh grade students coming to new school building, class changes, new activities, and varied sports programs bring on a realization of the importance of dedication to studies and involvement in organizations. Pep-rallies, Friday night football games, Spirit Week, the Winter sports season, formal dances, and other activities are necessities that have to fit into everyone's schedule, along with class and homework.

The journey of high school is minute compared to the new uncharted territories that follow commencement. Saying goodbye to your Alma Mater, and those responsible for creating fond memories, is difficult, but the memories are forever engraved into your mind. The intention of the 2003 Echo is to preserve the everyday happenings in print, so that if your mind should forget those special days, one can refer to this volume and remember this special era.

What is Spirit Week?
Spirit Schedule
Kings and Queens

For five straight days students as well as teachers participate in "Spirit Week." Spirit Week was created by the student council, and has been a tradition at Carmichaels Area High School for years.

During Spirit Week students sway from the normality's of school life...especially their normal dressing habits!

Spirit Week gives students a chance to show their school spirit while participating in fun activities. Everyone seems to enjoy this weeklong event!

Spirit Week began on Monday with Pajama Day. Then Tuesday was Camo Day. Following on Wednesday was 80's Day. Thursday Twin Day took place, and then on Friday to close out the Spirit Week, students participated in Blue and Gold Day. On Blue and Gold day as part of our school spirit celebration, a Pep Rally was held. During the Pep Rally, the Spirit King and Queens take the spirit stick on stage and give each grade a chance to show how much school spirit they have by shouting out "Go Mikes!" as well as other motivational phrases.

Every year a Spirit Queen(s) and King is chosen. Students are given to earn the title of Spirit King or Queen by creating blue and gold outfits that represent their support for CAHS. The crazier the outfit, and the more blue and gold the better!

This year Jessica McMinn, Meghan Wood, and Taylor Bailey were chosen to represent our school as the Queens and King of CAHS. They will now participate in many special events, such as Pep Rallies.

When It Rains, It Pours.

The sense of school pride radiating from the crowd on a dreary September night could signify only one event... Homecoming.

After touring the town square, court attendants and their escorts entered the gates onto the field where they would participate in the opening ceremony. Although the field was damp and the air was chilled, it did not effect the beauty and the excitement of the traditional CAHS homecoming.

The excitement of the evening grew when Mrs. Shlosky crowned Queen Brynn Cirota, and the senior football players: Jonathan Menhart, Bobby Hathaway, and Jay Zielensky presented Brynn with a dozen roses and the game ball. These events concluded t ceremony.

Due to all the spirit and exc ment that inhabited the stadiu the Mighty Mikes won against h time rivals of Mapletown. After game, students celebrated suc great evening by attending a da in the gym.

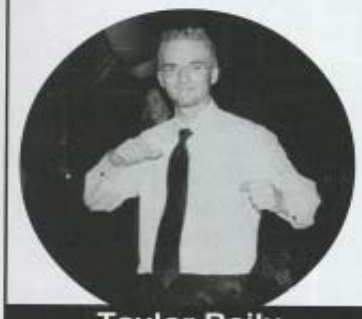
What about the Moment



Taylor Baily

"The evening was incredible. The gym was transformed into something awesome. Me and all my friends being together somewhere so nice was great. We had a blast!"

Ben Lawrence

"I had so much fun with all of my friends. I really enjoyed all the dancing. We didn't have to think about anything else. We just let loose and had fun."

Jeff and Courtney

"The ball was awesome. The best part of the night was taking a ton of pictures with all my friends. Now I have something I'll always be able to remember the special evening by."

"A Moment Like This"

Kelly Clarkson

This year's Cinderella Ball was held on November 17, 2002. Despite the dreary and dismal weather, over 160 students attended the formal held in the high school gym.

The theme this year was "A Moment Like This," with decorations including a beautiful victorian garden setting. The song by Kelly Clarkson was played to further emphasize the mood and theme. Everyone who attended the ball agreed the gym looked amazing, being transformed from the usual blue and gold pride to an elegant scenic. It would not have looked so beautiful without the help of Donna Williams, owner of "Magic Moments," special occasions decorating service. Mrs. Williams aided the Junior Standing Committee in their decisions, making sure they made all the right choices in theme and colors.

The Junior Standing Committee began planning the event months before the big night. They put in many hours of hard work to make the Cinderella Ball possible, being led by the Junior class sponsor, Mrs. Batis.

Another highlight of the ball was the awesome music. Students enjoyed dancing the night away to the sounds of Mark Batis.

A Magical Evening

The 9th grade Spring Fling was held at the Carmichaels Senior Citizens Center on April 6th at 7:00pm. This was the first formal dance that many of the students have attended so intern it was a very special occasion.

Mrs. Deborah Batis was the sponsor of this years Spring Fling. The chaperones included: Mr. John and Cassie Menhart, Mrs. Zoe Chambers, and Mr. Dave Batis.

The amazing decorations were provided by the Spring Fing committee.

Thanks to all of the people mentioned the night was a complete success.

The 9th grade Spring Fling court which is pictured above consisted of the following students: Jordan Burless and Kayla Hewitt, Mattew Barnhart and Heather Conner, King- Chris Polhemus and Queen- Amber Novotny, William Smearcheck and Natasha Celli, Autum Moore and P.J. Martin.

Memories Never Fade

Prom 2003

Some say the Prom is an event which one will never forget. The pouring skies put a dampness on the participants, but spirits were high, proving that statement to hold true. The Prom this year had some differences from past years. The Senior Standing Committee, with the help of Senior Sponsor, Mr. Plasko, elected to hold the Prom aboard one of the Gateway Clipper Fleet paddleboats. The *Riverbell*, equipped with a kind staff to serve dinner and drinks, also provided an energetic disc jockey. Ashley Kurtyka responded by saying, "It's refreshing to have new scenery and be able to share the company of friends." The *Riverbell* carried approximately 120 Prom goers along the shores of the Three Rivers area allowing a spectacular view of Pittsburgh, where while the city lights created a magnificent romantic glow upon the river. The excursion was one that proved to be truly heartwarming and memorable for all involved.

Breaking the Mold

Chants of victory and crashes of fireworks flooded the football field after the Mighty Mikes tackled another obstacle on their way to the "Undefeated" title. With helmets in hand and fans on their feet, a successful Senior Night ended in glory. "It was amazing to see the and hear the fans," states Gary Johnson. "It was a rush," adds Colby Giles. With the score of 41 to 8 over the Geibel Gators, the Mikes gouged another notch into their belts; they were on their way to "undefeated" and they were unstoppable.

The Mikes forged ahead by winning their last section game against Frazier with the score of 37 to 8, that night the Mikes rightfully owned the "Undefeated Section Champions" title.

History was made during the first round of the WPIAL playoffs, the Mikes defeated Canevin with the score of 42 to 7. It was the largest margin of victory in the playoff history of the school. It was also the first-ever playoff game won by the Mikes on their home field.

The Mighty Mikes cheerleading squad is an organization whose motto is: "There is no such thing as the end of the season." Their schedule includes activities which keeps them busy throughout the entire school year. During the summer months the girls attend U.C.A. Cheerleading Camp at Slippery Rock University to enhance their skills for competitions. This year at camp they were awarded the U.C.A. Traditions Trophy, Spirit Trophy, and ten excellent ribbons. "Camp was quite the experience this year. We got a lot accomplished while having fun at the same time," commented Hillary Grimm.

During August of 2002, the girls, once again, captured a first place trophy at the California University Competition, competing against squads from Greene, Fayette, and Washington counties. Also, at the Jefferson Morgan Rocket Rumble, the girls took the Grand Overall trophy as well as the Overall Varsity trophy at the 49th annual King Coal cheerleading competition.

Their efforts carried directly over into football season where the cheer took part in decorating for ac pep rallies, and learning new and cheers to support the team worked their way to an und season. "All the hard work p when the team made it to the p It was definitely a memorable for all of us," stated Brynn Ci the cheerleaders made their la around the football players a game against Rochester, spiri still high. Teamwork Is Key

The Junior-High Football team completed another successful season as they finished with an overall record of four wins, two losses, and one tie. In section play, four wins and one tie were accumulated through the guidance and play calling of Coaches Willis, Cole, and Krause. No matter what the outcome of the games, the coaches were always behind their players 100% expecting the players to give it their all.

The season started with a 16-0 loss to Washington, a 22-6 loss to A.J. McMullen and a 20-20 tie with Chartiers-Houston. The team then turned around with an impressive 50-28 win against Bentworth followed by a shutout win of 20-0 against West Greene.

A 40-22 win against Jefferson-Morgan and a 16-12 victory against Mapletown wrapped up the successful season.

The team enjoyed a winning season due to their hard work and determination. The same dedication and spirit on the field again next year will carry over to prospective players on following teams.

Congratulations on an excellent season and a job well done to the Junior-High Mighty Mikes and the coaches who taught them skills such as leadership and teamwork they will not only use on the football field, but in everything they do. Keep up the awesome work and strive to do even better next year!

Reversing a rattled start

The Carmichaels Area 9th grade boys basketball team had a rocky start this season, losing their first three games. Gradually, they improved over the remainder of the season, winning subsequent games on their schedule to end the season with a 7-11 record. The team of ten players was lead by Coach Dave Briggs. "The team showed tremendous improvement and a great workethic," commented Coach Briggs when questioned about his team's performance this year. He summed it up by saying, "It was a very satisfying year". The team worked very hard during the season and hope they are prepared for a new level of play next year.

Time Out, Listen Up!

Soccer, the new kid on the sports scene at Carmichaels, seemed to provide more about playing the game than victorious outcomes.

The Girls' Soccer Team dealt with many tough losses this season, but are hopeful experience will bring more victories. Throughout the season they learned what teamwork and sacrifice are all about, especially since members of the team were participants from Carmichaels and Jefferson-Morgan schools. This interaction through teamwork will pay many dividends down the road for individuals and the program. Coaches Eaton and Hess agreed that having a single gender team would allow players to be more focused than being on a coed team. "There were less issues to deal with and we could concentrate on learning more soccer skills,"Coach Eaton quoted. It t time to gain the skills nesscessar play soccer, and the girls spent season mastering such skills.

Reviewing the Boy's Soccer T the season recquired that they too come many hardships. "You have in and fight full force everytime, when the odds aren't so great," Andy Stoffa, junior captian. No m what the outcome of a game, the was always determined and st twice as hard in the next. Each brought on a new level of energy team spirit. It was not always wins or losses, but about having playing soccer.

In retrospect, both teams acq the much needed skills to drive th both personal and team victori seasons to come.

A Long Hard Road

With long time rivals competing for one thing... the win, victory did not come easy this season for the Lady Mikes volleyball team. The season started off rocky due to inexperienced players and going up against teams with much more experience. The major problem that affected the team was only playing up to the opponent's level and not to their full potential.

A positive aspect of this season was the large amount of support the team received from their fans. No matter what the outcome of the games, the fans were still there cheering the girls on. After such a rough and tiring season, the underclassmen know they will have to work much harder next year to bring more victories.

During the season, the Lady Mikes participated in a tournament with long time rivals including the host, Wanyesburg Lady Raiders. The L Mikes' efforts allowed them to through many exhausting rounds when push came to shove, the M threw in the towel.

Many things contributed to ma this season mediocre including ries to senior starters. Before sub ting to defeat at the close of the se the team displayed their inte against the Beth Center Bulldogs unforgettable and very close m The Mikes left that game with knowing they played tough thro out the season, but will have t harder next year.

There's one thing that the team especially the seniors will never f from this season: Coach Gibson mous words, "positioning is e thing."

Success - What A Story

"Play hard and have fun" were the last words the Mighty Mikes Varsity Basketball Team heard from Coach Williams before stepping on the court for the first round of the W.P.I.A.L. playoffs. The season proved to be one of success with the Mikes acquiring 16 wins and only 8 losses. Significant highlights of the season came about as senior Bobby Hathaway scored over 1,000 points, a record that few others have broken. As well, Jono Menhart accumulated a total of 74 assists , and Colby Giles's 53 steals made contributions to the team efforts. Maybe that's why they were referred to as "Triple Trouble."

Practicing hard both offensive and defensive plays provided players the opportunity to develop skills for w ning and pride in team accompli ments. "Practice was tough, but in end, we realized how i portant it was to work hard as you can and h no regrets," stated Ja Bandish.

One strategy used the defense in ev game was keeping t pressure high on their ponent, while the offe concentrated on taki the ball to the hoop.

Advancing to the s tional play-offs exhibi the season accompli ments acquired throu a good work ethic while having fu These new skills and self-discipline w be valuable in the future whether it's sports or real life situations.

Put it in the Record Book

Ball control in a half-court offense along with a stiff and banging defense were keys to a successful and history making season for the Lady Mikes Basketball team. This team used their athletic abilities, unselfishness, and experience to accumulate a record of twenty-one wins in their quest for the WPIAL championship.

When questioned by a newspaper reporter about the upcoming season, Coach Lane said "We've been anxious to get going." As the wins came, he also commented, "We've been waiting for this a long time." The opportunity to have a starting lineup that consists of 3 four year starters and 2 three year starters doesn't come very often.

The team used a ball control tempo with passes in the middle to provide a lot of scoring opportu ties which contributed to the p session of the Section AA Girls B ketball Championship title for first time in the school's histo The Lady Mikes lost only 2 gam in the regular season, both Charleroi, but the non-conferen games did not affect the girls fi clinching the title as Section Cha pions.

The Lady Mikes went on to W.P.I.A.L. playoffs to be Duquesne in the first round. Cl ing out an awesome season, team was defeated by Sewickl Academy, in round two, just o game short of qualifying for P.I.A.A. tournament.

Coach summed the experien up by saying, "What a wonder season."

Shooting baskets with flair and distinction and armed with a new coach, the the 7th and 8th grade boys basketball team had new plays and a new defense. The team was led by Coach John Hess this year, who always taught his players to do their best. With a schedule of 20 games and 2 scrimmages, the boys really had their work cut out for them during the 2002-2003 season.

Hard work and determination paid off as the boys ended their season with a record of 7 wins and 13 losses. "As the year went on we improved greatly" Coach Hess stated, "I am very proud of them." This year's 7th graders will have much to look forward to next season. With more practice and dedication improvement is sure to come.

Victory - How Sweet It Is

The Mikes Baseball Team, with only one loss, forged through a dominating season . Headed by Coach Dave Bates, assisted by Coach Rob Cole and Coach Scott VanSickle, the Mighty Mikes entered each game headstrong and determined. Even though they lost to Chartiers Houston early in the season, they had a second chance near the end of the season to even the score. Going into the game, Carmichaels, Mapletown, and Chartiers Houston were in a three-way tie for first place. This time again, it was a close game, but the Mikes came through with a 2-1 win. This allowed sole possession of first place in Section 1-A.

Game Time Thru Thick and Thin

Working as a team is one of the very important rules the g softball team plays by. They know that victory is not possi unless each player does th part and can depend on t other players. The te goes through many hours rigorous practice and con tioning drills months bef the season begins in or to put the best softball te on the field. Every player the team fulfilled an imp tant role in the games giving the other play moral support. Although the 2003 season has come to a clo the 15 players, especially the seniors now have numero memories that they will be able to share forever along w learning many different skills that are not only useful in soft but in real life. They have learned cooperation, dedication, a most importantly, they have learned how to respect and depe on each other.

"When no one else believed in us, we still believed in ourselves and came out on top. There wasn't just one "all-star." All 15 of us worked 110%. We played as a team and won as a team."

Angie Lasko

"This season could not have been better. At times things didn't work in our favor, but we learned to count on each other, which made all the difference."

Jessie McMinn

"I never realized how much I love softball until this season was over. My teammates and I had a fine year and I hope the underclassmen do well next season. Good luck, seniors, I'll miss you all."

Amber Willis

"We worked hard this season to accomplish goals everyone thought we couldn't. With out our biggest fans, our parents, we wouldn't have made it. Through dedication, and teamwork, any thing can happen."

Autumn Willis

"The main concentration of this season was to work as a team and that's exactly what we did. We found out that the outcome was better when we cooperated and played as a team instead of as individuals."

STANDARD

GREASE is still the Word

The Drama Club presented the musical *Grease* directed by Mrs. Walker and Mrs. Mason, accompanied by the choreography of Susie Zalar and Toby Maykuth, from the Center for the Performing Arts, and a musical ensemble of professional and student musicians. The actors performed on consecutive days from Friday February, 28 through Sunday, March 2.

The dinner theatre setting was one depicting a diner equipped with a soda shop bar and milkshake centerpieces for the tables. This was the first year for reserved seating throughout the auditorium. National Honor Society members ushered the audience to their reserved seats. The programs on sale included biographies of all the cast members, along with advertisements of local business and personal patronizers.

Morgan Pratt, a Seventh grader, excelled in the advertisement sale accounting for more than $1,000 in sales. Her commendable work alone paid for the books to be printed.

Ashley Kurtyka, senior and four year participant in the drama club said: "Just about the whole week before the show is so tense and crazy. But once you get into character everything becomes natural and you have a complete sense of happiness."

The cast and production crew were elated and proud of the efforts upon seeing the large number assembled at the dinner theatre atmosphere on opening night for a fantastic meal. The auditorium was filled to near capacity with that same enthusiastic audience. The performance was a success for all involved, as the cast used the opportunity to lead some of the audience down memory lane.

A New Beginning for Opportunities

On Friday, May 31st, family, friends, and loved ones assembled in the Gymnasium to congratulate students who met the requirements to qualify as a Carmichaels Area 2003 Graduate. At seven-fifteen p.m. the Commencement ceremony began. The night continued on with much recognition, celebration, and words of wisdom from various speakers. Mr. Karl "Gus" Gdovka was the first to address the graduating seniors. Benjamin Speggen, Valedictorian representative, followed by Joa'i Koratich, Salutatorian representative, and Jessica McMinn, Senior Class President, also contributed their advice and appreciative statements. Diplomas were presented by the President of the Board of Education, Mr. Kenneth A. Ganocy, during roll call nnounced by Miss McMinn. The Sr. High Chorus participated with a musical selection. and the Carmichaels Area "Alma Mater" which concluded such a timeless ceremony that will be remembered by all who attended.
